Song: This Little Light of Mine

*This little light of mine, I'm gonna let it shine, (x3)
let it shine, let it shine, let it shine.*

The light that shines is the light of love,
Lights the darkness from above,
It shines on me and it shines on you,
And shows what the power of love can do.
I'm gonna shine my light both far and near,
I'm gonna shine my light both bright and clear,
Where there's a dark corner in this land,
I'm gonna let my little light shine.

This little light of mine...

On Monday, He gave me the gift of love,
Tuesday, peace came from above.
On Wednesday He told me to have more faith,
On Thursday He gave me a little more grace.
Friday, He told me just to watch and pray,
Saturday, He told me just what to say.
On Sunday He gave me the power divine
To let my little light shine.

This little light of mine...

Song: Praise Him

Praise him, praise him all his children praise him!
God is love, He is love.
Praise him, praise him all his children praise him!
God is love, he is love.

Love him, love him all his children love him!
God is love, He is love.
Love him, love him all his children love him!
God is love, he is love.

Thank him, thank him all his children thank him!
God is love, He is love.
Thank him, thank him all his children thank him!
God is love, he is love.

Song: Jesus is Greater Than The Greatest Heroes

Jesus is greater than the greatest heroes,
Jesus is closer than the closest friend,
He came from heaven and he died to save us,
To show us love that never ends.

Son of God, and the Lord of glory,
He's the light, follow in his way,
He's the truth, that you can believe in,
And He's alive He's living today.

Closing prayer.

**Lord God, your kingdom come,
in joy and generosity,
in the small and the large,
in the ordinary and the special,
and to you be the glory, now and always.
Amen.**

Craft:

Make your own puzzle. Ask your grown-ups to copy and enlarge the puzzle shape below. Then it can be printed onto thick paper*. After that all you need to do is to draw and colour your own picture on the other side or stick a photograph or printed picture on. If you use glue wait until it has dried and then cut out the puzzle along the lines. Mix the pieces up and have a go at doing your puzzle.

*We can help by printing off the sheet if you haven't a printer. Just let us know.
