Thank you Angela!

Having faithfully compiled, edited and produced the magazine for a number of years, Angela is retiring and this is her last magazine. We are very grateful to her for all her work and her tactful reminders and promptings to keep the magazine contributors on track!

We are looking for a new editor and if you would like to be involved please get in touch.

Looking ahead …

October and November are months with a number of special services. We start with a Harvest Thanksgiving service at Abbey Leys Farm Farmers Market, on 4th October at 10.15am, and at 5pm a Holy Communion Service with a harvest theme. On 11th October at 3pm we have a pet blessing service – bring your pet if this won't be too stressful for them, or bring their picture.

For much of November the church is in what is called the 'Kingdom Season'. The colours in church change to red, a colour to represent the work of the Holy Spirit and the sacrifice that Jesus made on the cross. We will also have a dramatic display of red poppies for Remembrance, along with some white ones for peace and purple ones to remember the animals that served during wartime.

The Kingdom season starts with the festival of All Saints when we remember those who have lived the Christ-life on earth, and it is followed by All Souls when we remember the faithful departed. This is why we have our Remembering Service at the beginning of November, a service when we remember, name and light a candle for those we love but see no longer.

The final Sunday celebrates Christ the King who has completed God's work through his life, death and resurrection. The acronym INRI which appeared on the cross was a cynical reference by Jesus' Roman torturers to his kingship. The letters spell out in Latin ***I****ēsus* ***N****azarēnus,* ***R****ēx* ***I****ūdaeōrum* – Jesus Christ, King of the Jews. At this time, we wait for the New Kingdom to be revealed in all its fullness.

Kingdom Season has a definite 'feel' to it. It is a time for forgiveness, reconciliation and healing. The readings are apocalyptic in tone, depicting the end of the world, and judgement themes predominate until they conclude with the triumphant Feast of Christ the King who will reign over all things in the peaceable Kingdom of God.

The new church year begins on the last Sunday in November when we have our Advent Sunday morning service surrounded by the Christmas trees of the Christmas Tree Festival. There also is a service at 3pm during which we will send the Posada figures, Mary, Joseph and the donkey, on their journey to visit and stay at houses around the village, returning to church for the Crib service on Christmas Eve.

With best wishes for a season of thankfulness and remembering,

Clare

A thank you for the role of Parish Safeguarding Officer (PSO)

Not everyone knows, but I am the Parish Safeguarding Officer and as a thank you for doing the role I was invited to York. On Thursday 3rd September The Most Reverend and Right Honourable Stephen Cottrell, Lord Archbishop of York welcomed representatives from the Dioceses in the North of England to a Thank You Day for being Parish Safeguarding Officers.

It was held in the historic Bishopthorpe Palace, near York.
I represented St John's High Legh and the Diocese of Chester.
Throughout the day we were reminded that all Parish Safeguarding Officers are valued for their work in helping to make churches safe and welcoming.

The Day was not only informative, but very enjoyable. Surrounded by portraits of previous Archbishops of York, the atmosphere was warm and friendly. It was a wonderful opportunity to meet members of the Church of England National Safeguarding Team.

Sharing Eucharist in the 13th century Bishopthorpe Palace Chapel was a highlight.

Safeguarding was described, not as something separate within the Church of England, but nurturing and caring for one another being an integral part of our Faith.

Lunch was enjoyed in the Great Hall before an afternoon in conversation with The Archbishop Stephen and Members of the National Safeguarding Team.

As the meeting came to an end there was opportunity to explore the Palace gardens before heading home.
A truly memorable occasion.

GOOD NEWS—THE CHURCH WOODWORK REPAIRS CAN NOW BEGIN

We are delighted to share some very good news with the whole community.

Following the necessary consultation and approval process, we have now received permission from the Diocese to proceed with the essential repairs to the woodwork of our church building.

This is an important step forward in ensuring that our church remains a safe, welcoming and much loved part of our community for many years to come.

A church for everyone

St John's has an important place at the heart of our community. It is not simply a building used for Sunday worship. It is a place where people come together, where families celebrate baptisms, weddings and other special occasions, where we remember loved ones, and where people can find friendship, comfort, peace and support.

The church belongs, in an important sense, to the whole community. We want to ensure that future generations continue to have the opportunity to enjoy and use this special place.

The work ahead

The repairs are substantial. The estimated cost of the work is **more than £35,000** and, because of the nature of the repairs, the main work will be undertaken by professional contactors with the appropriate skills and experience.

Alongside the professional contractors, we are fortunate to have a band of willing volunteers who will undertake preparatory work wherever it is appropriate and safe for them to do so. Their contribution will help us keep the overall costs of the project as low as possible and demonstrates once again the wonderful community spirit that surrounds St John's.

We need your help

There is, however, a very significant challenge ahead.

To enable us to complete the work, we will be reliant on donations from the community and from those who value St John's and what it provides.

We are enormously grateful to the individuals and businesses who have already responded to our appeal. **Thank you.** Every donation, large or small, is making a difference.

However, we still need to raise **almost £30,000.**

That is a considerable sum for a small community church, and we cannot achieve it without your help.

We therefore make a heartfelt appeal to everyone in our community, if you are able to make a donation towards the repairs, please consider doing so.. Whether you can give £10, £50, £100 or more, every contribution will help us move closer to our goal.

We would also be grateful if you would encourage friends, neighbours, local organisation and businesses to support the appeal. If you know someone who has a connection with St John's, or simply values having a church at the heart of the community, please tell them about our project.

This is about much more than repairing woodwork. **It is about preserving a building and a place that has served our community for generations and ensuring the St John's can continue to serve everyone for generations to come.**

Thank you to everyone who has supported us so far, to our volunteers, to those who have donated and to everyone who continues to pray for and support the work of St John's.

With your help, we can secure the future of our church for the whole community.

Nick Whimpanny

Harvest Festival and the Harvest Torch

As Love British Food celebrates 25 years of championing British food, its symbolic Harvest Torch is making a special journey across Cheshire, bringing communities together in celebration of British farming, food and harvest. The Harvest Torch is a specially commissioned sculpture depicting harvest's natural bounty and is the farming community's answer to the Olympic Torch.

The **Revd Canon Anne Lawson, Chaplain to the Cheshire Agricultural Society, said:**

"The Harvest Torch is a powerful reminder that harvest is about far more than food. It is an opportunity to give thanks for the dedication of our farmers, to remember those who do not have enough to eat, and to renew our commitment to caring for one another and the land that sustains us."

Come and see it at the

Harvest Festival Service
Sunday 4 October at 10.15am

Regular happenings in the Church Room

WE'RE HOOKED

The days are getting shorter and cooler weather is on the way. We hope over the coming months, that all who come to church will appreciate the lovely warm knee rugs that we have made to keep the cool draughts at bay. They have been made with love and we hope you will enjoy using them. Don't forget we welcome anyone who would like to come and join us, whether to learn the basics, or maybe to teach us some new technique. It's a pleasant afternoon with tea, coffee, cakes and biscuits. Come and give it a try. We meet each Monday afternoon at 2pm in the Church Room.

COMMUNITY LUNCH

Every 3rd Wednesday of the month

Well the ham salad season is now passed, and we are back to warming bowls of homemade soup and crusty bread. How the time has flown by this summer, glorious that it was. The next lunches are on the 21st October and the 18th November. There will be the usual delicious cakes, tea and coffee. Everyone is welcome. Please book in with Arthur on 01925 752481 or Elaine on 01925 753111, or sign up in the church room. We look forward to seeing you.

Coffee, Chat and Create

This small group of people meets on the second Tuesday each month, in the church room at 2pm. We knit, crochet, sew, eat biscuits, drink coffee and tea, and enjoy catching up with each other's news. Needless to say, there is lots of laughter too! Do come and join us. We would be pleased to see you.

Mothers' UNION

On Sunday 9th August at 11am with all members in York Province we each lit a candle celebrating 150 years of Mothers Union. This was done during our regular Sunday Service, very well arranged by Rev Trish with our thanks.

The quiz with questions about sweets on 1st September was enjoyed by all. It certainly made us think, as there were a number which are no longer in circulation now. Thanks to Elaine for compiling it.

The next meeting at 2pm on Tuesday 6th October will be preparing for our "Coffee Morning" on Saturday 24th October 10.30am to 12 noon.

Reminder our annual lunch at the Barn Owl is on Tuesday 27th October at 12noon.

Tuesday 1st December at 2pm will be our Festive Meeting.

Once again Month's Union will provide the refreshments at the Farmers Market in the Village Hall on Sunday 20th December.

Children welcome!

Children are welcome every Sunday at St John's.

Most months there is an All-Age service (2nd Sunday of the month) and Café Church (4th Sunday of the month). The other Sundays have a Sunday School for primary aged children.

The Sunday School takes place in the Church Room, running alongside the service in church. We have an enthusiastic team of volunteers who have been safely recruited.

For pre-school children and toddlers there is an area at the back of church with toys, books and colouring.

Is someone you know experiencing issues with memory loss or dementia?

My mum had dementia and thoroughly enjoyed going to Singing for the Brain sessions near where she lived. Stewart Jackson, a Pastoral Worker at St John's, volunteers at Singing for the Brain and at the Memory Café in Lymm, and I asked him about them.

Rev Clare: Firstly, what made you volunteer?
Stewart: When I retired and was looking for something to be involved in I chose these groups as my mother-in-law had had dementia so I knew how important these activities are for the person with dementia and their carer.

Rev Clare: What happens at Memory Café?
Stewart: We start with seated exercise to music and then there are activities that are offered or people can sit and chat. There is a cup of tea and cake after the activities in the Sanctuary Café.

There is always colouring and jigsaws available and sometimes there is a seasonal theme or something special like a fairground theme including games with tin cans! Two or three times a year there is a carers table and someone from Social Services comes who can help signpost people to different services.

Rev Clare: What happens at Singing for the Brain?
Stewart: We have fun and sing well known popular songs, from wartime, 60s, 70s, 80s and folk songs. There is space to dance for those who want to and streamers, tambourines and bells for anyone to play. There is a cup of tea/coffee during the session.

Rev Clare: Who is behind these sessions?
Stewart: They are two of the projects of the Lymm Sanctuary Hub which is based in the library building (https://lymmsanctuaryhub.co.uk/community/). They are free of charge but donations are welcome.

Stewart: you can just come along to a session, but if you would like more details please contact me on 07835 249835.
