Prayer for January

Thank you for bringing us to the beginning of another New Year. Help us to remember that the gift of Christ, Emmanuel, is your gift to us not just at Christmas, but throughout the year.

Fill us with your joy and the peace of your Spirit and help us to keep following you. Thank you that you are with us in our times of difficulty as well as our joys and celebrations and that you never leave us but always care.

Please guide us through 2021 and help us to bring our prayers to you. Amen

The Weekly News and Prayer Update
This is sent out each Saturday by Mail Chimp. You just need to let Patricia (pmrobinson51@gmail.com) have your email address and it will be sent to you each week. It includes the link for the Service, a copy of the hymns, the reflection and readings, prayer ideas, notices with links to online meetings.

Letter from the Ministry Team

The second service we held in St Paul's Over Tabley after it was re-opened following the reordering was Communion and Carols on 20 December. Sadly, of course the congregation couldn't sing – just hum under their masks if they wished. At the conclusion of the service, we all went outside and, socially distanced, sang O Come All Ye Faithful. We found a way to sing which didn't contravene the Covid-19 safety rules.

The year 2020 was hard for everyone, a long and difficult journey; but If there was a theme running through 2020 it was that determination, love and care enabled people to find a way through the changes, the suffering, the struggles. At the moment the year ahead may look rather depressing and dark but there is light at the end of the tunnel of the present situation and the restrictions we have been living under.

When we had sung that carol outside St Paul's just before Christmas, I reminded those present that one of the names of Jesus we remember at that season is 'Emmanuel' which means God with us. The essence of the Christmas story is that God came to live with us and experienced human life in all is joy, all its sadness all its messiness. God in Jesus experienced everything that could be known about human existence. As we move on from Christmas into the New Year it is encouraging to know that just as the shepherds and Wise Men searched for the baby at Bethlehem, Jesus can still be found by those who look for him. God in Jesus can be our companion and guide through the days, weeks and months of the New Year.

Looking ahead to 2021 there are still many uncertainties although, with the Brexit deal having been achieved and, as I write this piece, the Oxford Astra Zeneca vaccine approved for use here, there is much to be hopeful about. If you keep a journal the first day of January provides a blank page where the story of your life begins a new chapter. Although we may still be feeling daunted about the weeks ahead, we can follow the advice of Martin Luther King, Junior - "Take the first step in faith. You don't have to see the whole staircase, just take the first step."

As we take those first steps into the New Year, remember that Emmanuel (God with us) is here to light and guide our path and encourage us as we journey on.

With all good wishes for 2021. Patricia

Around the United Benefice - A Big Thank You!

St John's

I just want to thank the many people who this year – despite the restrictions - have ensured that our church – inside and out looks fit to welcome a King – Christ the King.

Inside the usual suspects have been busy. Elaine, Margaret and Brian, ably supported by Chris, Mary, Norma, Christine and Julie, have created a wonderful traditional Christmas feeling. When so many traditions won't be able to go ahead, we are grateful for those that can. This year in response to the Community Association "Festival of Christmas Cheer", we have more features outside which include a planted Christmas tree, star, Advent wreath and crib. For the latter we thank Norma for spotting the figures in the Garden Centre sale, Stewart for negotiating a good price and last - but certainly not least – Brian who constructed a beautiful stable which can be stored flat and will last us for many years.

Things have had to be done differently this year and so our usual Nine Lessons and Carols became a pre-recorded Community Carol Service with recordings made at appropriate locations around the village, supported by carols sung by a small choir at St John's. Thank you to Tom and Karen for organising the choir and for taking on the task of editing the recording.

Everything we have done this year has had to have a Covid-19 Risk Assessment and I would like to thank Elaine and Stewart for their help with the practicalities of all of this which has meant that we have been able to hold a variety of services, participate in the community Christmas Cracker trail, and as I write we anticipate singing one or two hymns or carols as part of our services. Their support has been invaluable.

Finally, "thank you" to Elaine for indulging my wish to maintain the purple of Advent right through our four Advent Sundays!

Whatever has been different this year, the message of Christmas remains the same, that God became man so than mankind could become like God
With prayers for a much more normal 2021

Rev'd Trish

St Mary's and Holy Trinity
Thank you to everyone who has helped, during this difficult year, outside and inside and by coming up with good ideas for new ways of working and celebrating during the past year.

Holy Trinity
Even when the church was closed the churchyard looked lovely and was a place where one could find peace amid the upheaval of the pandemic. Frank and his team along with Anne and Barry made sure everything was tidy for the funerals that have been held at Little Bollington. This helped people to pay their respects by gathering (socially distanced of course) in the churchyard. Inside Elizabeth, Anne, and Joy made sure that the church was clean and suitably decorated for Christmas while Hilary made sure the flowers were attended to. Jane Wright provided some beautiful flower arrangements for the altar during the year and of course, the Advent Wreath was delightful as usual. Thank you to all those, like Fran and Chris who have helped by ringing and welcoming people.

Elizabeth's really good idea for an outdoor Lantern Carol Service fell victim to the weather conditions but it went ahead inside with the lanterns and was enjoyed by all who attended.

St Mary's
We were particularly blessed by Andrew and Gail who have helped at almost all the services we have held since re-opening in July and in many other ways as well. Gail has also helped Patricia to clean the church and has kept the toilets clean and spider free. If you placed an order in the online Christmas sale, organized by Roz and members of the Events Committee, you will know that Gail dealt with these and made sure everyone received their purchases in time.

Peter Williams helped by providing the idea and the artwork for the Christmas Cards which were sold in aid of St Mary's. Christopher added keeping the register to his other duties as Churchwarden and Treasurer. Libby, responsible for flowers in church, soon acquired and arranged some superior artificial flowers from the money raised by the congregation, so that no one had to keep going out to buy fresh ones. During Advent there was a lovely display of leaves in place of flowers for the altar. Libby also helped Patricia to decorate the porch with greenery and bows. Thanks to Ed and Sue for all their support, especially with the Christingle Service, singing at Christmas and decorating the church. Jan and Tony helped by Giles decorated the tree.

continued/….

Zoe has continued to support the Storytelling Service with craft ideas and she and Adam provided the lovely figures for the nativity scene you may have seen by the lych gate which was built by Ed W. Thank you also to Jonathan for the live-streamed services and to Maise and Lottie for singing and reading at the Carol Service (they both have beautiful voices). Thanks to Andrew our organist whose choice of pieces for the Carol Service enabled this to go ahead without the small singing group having to sing too many carols. It has been such a blessing to have so many people willing to contribute - without this help we would not have been able to achieve the things we did.

Revd Philip

St Paul's

This has been a momentous year for St Paul's with the re-ordering able to go ahead more easily because of the restrictions in place over services. A huge thank you to all those who have helped and given of their time and expertise – Revd Philip, Andrew, Ken, Alan, Norman, Mike E. and Brenda (who provided refreshments before lockdown prevented it). Judy and Mike worked hard at monitoring a water leak, taking readings every few days at one point. Alan and Norman tracked it down and effected repairs. Thanks to Chris O'Donovan for sorting out the repointing needed on the west wall. All the above done in compliance with social distancing and other Covid-19 rules.

Although Brenda could no longer help with refreshments for the workers, she turned her hand to sending a daily, very interesting, email - sometimes funny, sometimes covering more serious topics. Her circulation list became longer as people passed them on to others. This particular ministry has kept old bonds in place while creating new ones; it has lifted our spirits over the difficult times, helped us learn new things and made us think as well.

Thank you also to those who helped to clean the church following the completion of the work. Judy, Irene, Lyn and Alan. Although we decided to keep Christmas decorating to a minimum we would like to thank those who provided them. Coffee & Chat has continued – moving to a weekly online event. Hopefully by the end of Spring we will be able to continue with the embroidery group with Lyn and her team.

Revd Patricia

United Benefice

2020 brought many restrictions and difficulties and without the help of some key people across the United Benefice we could have lost touch with our congregations. Thanks to modern communications we have been able to provide services each week – mainly recorded in St Paul's after the other churches re-opened. Thanks are due to Sally the organist from St Paul's who has played for most recorded services since the restrictions allowed, not only at St Paul's but at Holy Trinity and St John's as well. Andy our organist at St Mary's recorded music at home and sent it to us electronically to include in our recorded services. Our team, Revd Trish, Revd Patricia, our Reader Chris, Pastoral Worker Stewart and trainee Reader Karen, rose to new heights over Advent and Christmas.

Karen and her husband Tom have been ever ready to help, whether singing hymns for the online services, organising the choir for our online Carol Service and editing the results, or by organising the Mail Chimp and providing general advice on computer matters.

Thanks are also due to those who have helped with the magazine - Joanna for editing, Brian, Judy, Ken and Christa for sorting out the advertisements, Peter for his monthly food and wine pieces and all who have sent in articles and those who have advertised with us.

Revd Philip

Mere and Tabley Community Club

I'm afraid that our Club remains closed to members and hirers.

However, the committee continues to operate trying to keep everyone in touch. To this end, I must thank Dave Godsmark who sends out regular emails with news and anecdotes. After a recent request for members' financial backing to enable us to update our bar and lounge area, I am pleased to say that the funding is now in place to begin the work in the new year. We hope to undertake a lot of the "fitting out" work using members' skills. At some point in 2021, people will be able to get together again for celebrations and commemorations and our club will be well placed to accommodate them.

May I end by wishing all readers a safe and peaceful festive season.

Alan Greenway - Chairman

Recent Funerals

Elizabeth Bennett Aged 79 years.

Many people in the local area will remember Elizabeth who, with her husband Alec kept the Stamford Arms in Little Bollington for a number of years. Elizabeth also helped with the riding school where the family also enjoyed spending time and riding. Moving to Lymm with the family Elizabeth took a career change into Market Research which she enjoyed very much. She will always be remembered for her dress sense and love of Jaeger clothes. Elizabeth will be sadly missed by the children, David, Rebecca and Charlotte and her friends.

Keith Douglas Ridler Phd, BSc., MI Chart. Eng., MI Mech. Eng. Aged 76

From the age of 23 Keith was a consultant engineer who worked for P A Consultants in locations across the world until taking early retirement in 1993. He lived in High Legh from December 1980 and after retiring became involved with the local community. He was project manager for the Community Association. At St John's Church he helped build a stage, the war memorial and fitted a loft ladder in the Church room. For 12 years he organised fundraising quizzes for the church. He served on the Parish Council at one point as Chairman and advised the Primary School, where he was a Governor, when they were planning their garden. Keith had been confirmed at an early age but had lost his faith when working as an engineer. Six and a half years ago he found faith again and enjoyed his time spent at St John's services, parish lunches and other events.

Randle Brooks Aged 78 years

On Monday 7th December the funeral took place in St Lawrence Church, Over Peover, of Randle Brooks, owner of Peover Hall and the Tatton and Peover estates. The Revd Philip Robinson officiated, assisted by Revd Murray Aldridge Collins the Vicar of the Parish of Over Peover. The previous day, residents of Rostherne, Ashley and other villages stood at the roadside to pay their respects as the cortege passed by on its way from Arden House to Over Peover. After a short service to receive Mr Brooks into St Lawrence Church, the church remained open so that individuals could pay their respects.

The late Mr Brooks was highly respected in this and other local communities. An expert on the history of Cheshire and its country houses, with his father and wife Juliet he restored Peover Hall from a state of near dereliction to how it would have been in 1585 when it was the home of the Mainwaring family. His stewardship of his estates extended to include a keen interest in the local communities. As a dedicated conservationist and historian he provided premises for Knutsford Heritage Centre and most recently, with his daughter-in-law and a group of volunteers from Rostherne, renovated the Egerton Hall in that village to be a hub for community activities.

News from Little Bollington CE Primary School

It has been a very busy term, but a very strange one with the children working in their separate class bubbles and not mixing with their friends from other classes. We have been able to keep things as normal as possible within these restrictions and this year whilst we haven't had the school community in school we have reached out to them with our Harvest gifts, cards at Christmas and through video and zoom. The children were no less excited about our Christmas preparations and loved doing their section of the Nativity video, their party afternoon and the Christingle service at the end of term.

December also saw the an end of an era at Little Bollington School as Mrs Girdlestone retired as our Mid-day Assistant after 25 years of walking to school from the village come hail, rain or shine (the end of an association of around 40 years as she was a parent of children at the school too). We have so many memories of her time with us and the children, over the years, have had the benefit of her kindness and vigilance over their welfare – visions of her on the new play area, or climbing over the fence for a stray ball in the field will live long in our minds. We wish her a long and happy retirement and thank her very sincerely for her years of work here at school.

As we turn our thoughts to the New Year it's impossible to predict how we will be working and how soon we can get back to 'normal' but we hope that things begin to ease and that we will be able to see many of you in school once again at the various events we hold.

FUNDING FOR OUR COMMUNITY

Little Bollington has been selected by the Co-op Community Fund for one of its funded projects. The amount we receive depends on people shopping at the Co-op then choosing Little Bollington to receive funds. This is how the scheme works.

Make sure you are a Co-op member. You can join online at coop.co.uk/membership or phone 0800 023 4708. It will only cost £1, and you will receive a Co-op loyalty card with benefits such as special offers and points for money off your shopping.

When you shop at ANY Co-op store and buy Co-op branded items, you will be awarded points on your account. **In addition, you can allocate further points to any Co-op Community project.** Just sign into your Co-op account and choose the Little Bollington Village Community project. You can see this here: https://membership.coop.co.uk/causes/54129 Better still download the Co-op App on your phone and everything will be made easy - https://www.coop.co.uk/coop-app

Anyone shopping at ANY Co-op branch across the entire country can allocate points to the Little Bollington project. And the fund is open until October 2021 so we have an opportunity to raise a lot of money for the local community at no cost and with very little effort!! Many projects in the Co-op scheme have raised thousands of pounds.

The funds will be used to improve spaces around the village with benches and planting. The more funds we raise, the more we brighten up all corners of our village. So please help raise money for our community. Please select the Little Bollington Village Community project after shopping at the Co-op. Pass it on to your friends and family and all your contacts - wherever they are located.

Please spread this message as widely as possible.

CRIME IN THE VILLAGE

Little Bollington has seen a number of disturbing incidents in recent months. Travellers once again made unauthorised occupation of land by the old Nags Head. Action was taken promptly and they departed after a few days. A mystery marker was placed on a house in Park View causing fears of a possible intended crime. Fortunately this was seen and removed and no harm was caused. More recently night time intruders set about stealing expensive grass mowers from the outhouse of a property on Park Lane. They were interrupted by an alert dog and they fled. In another incident, cars were seen loitering for long periods late at night on Spode Green Lane. Again they were disturbed by residents and immediately departed. Please be alert and report any suspicious incident to the police.

HEDGE LAYING

The village was invaded by a more friendly force in November / December when Trafford Conservation Volunteers undertook a project in the village. They worked over several weeks at laying (or "layering") the hedge on Wharf Lane (see below). Hedge laying is the process of bending and partially cutting (pleaching) through the stems of a line of shrubs or small trees near ground level and arching the stems without breaking them, so they can grow horizontally and be intertwined. Laying a hedge promotes new growth from the ground keeping it healthy and thick for years to come.

Layered hedges are better able to regenerate and extend their life. They are excellent for wildlife, providing food for small mammals and birds and sources for pollinators. Many invertebrates feed on common native hedge plants. Bees, moths and butterflies enjoy hawthorn blossom and the autumn berries as well as summer flowering hedgerow shrubs like roses and honeysuckle. Some insects lay their eggs on hedge plants to overwinter. Managing hedges through laying and trimming, rather than flailing, keeps these vital resources intact.

When local is best……

Starting with our food heroes

The first in a series of articles on our local business community.

In a world terrorised by the Coronavirus, our country is wracked with sadness, anxiety and insecurity. It is a time like no other and our natural instinct is to turn inward to family, friends and neighbours as there is something comforting about the familiar. This newly revitalised sense of community may herald a sea change in attitude and lead to a more caring, less selfish society. In pursuit of comfort, PROVENANCE has become the key word. People love the added security of knowing that their food and wine comes without the added burden of climate-busting air miles or the worry of how and where it was produced. Shop with good conscience in the safe and sure knowledge that BUYING LOCAL not only contributes to your local economy but also supports the planet and enriches our own lives. We are fortunate in our corner of Cheshire to be part of a diverse multi-faceted society whether buying a block of local cheese, farm fresh free-range eggs, a haunch of Tatton venison or a rib of Cheshire beef or for the organic food lovers amongst you, a farm shop dedicated to your needs. The list is seemingly endless. We are blessed with a veritable treasure house of small specialist suppliers of exceptional produce here on our very doorstep.

Down on the farm, in our dairies, farm shops, out in our fields and parks there are talented people keen and proud to serve local residents from Rostherne, High Legh, Bollington to Knutsford, Millington & Tabley – there is little you can't source from the immediate vicinity.

Did you know that Knutsford boasts one of the finest cheese makers in the country, produced from the milk of cattle feeding on lush Cheshire grass?

From fresh-dug potatoes to flowers, fruit, vegetables and poultry, wild honey and artisanal bread - a cornucopia of delights awaits our readers in the coming months when we will take you on a virtual tour of the products and services that enrich both our local area and our personal lives. Searching out all that is best from the great people who make this community such a rich and wonderful place to live despite all the difficulties that confront us all currently.

But you can't beat local intelligence, so we would like to reach out to our readers and invite you to put forward your local heroes for recognition.

Over the coming months, we hope to expand beyond matters of food and wine and extend our search to those people who provide services for our homes and gardens and life in general. Those craftsmen and women specialists who take care of our daily needs.

We can't promise to cover everyone, constrained as we are by space, time and the need to balance the magazine's content but please send your nominations to Revd Patricia – pmrobinson51@gmail.com.

Revd Philip's Favourite Sticky Toffee Pudding Recipe

Ingredients
50g (2oz) soft margarine or softened butter
175g (6oz) chopped dates
1 teaspoon bicarbonate of soda
175g (6oz) soft light or dark brown sugar
2 large eggs, beaten
175g (6oz) self-raising flour
1 teaspoon vanilla essence

Tip: easy to make this gluten-free. Use g/f flour, check chopped date packet and bicarbonate of soda — most are gluten-free.

Method
Set oven to 180C/350F/Gas 4 and grease a 23cm (9") square baking tin (you can also line the bottom of the tin with baking paper)

Place dates in a pan with 300ml (1/2 pint) water. Bring to the boil, then simmer for about 3-4 minutes remove from the heat and stir in the bicarbonate of soda.

Place the margarine or butter in a bowl and beat together. Gradually add the eggs beating everything thoroughly. Add the vanilla essence.

Stir in the date mixture and flour. Then pour into the tin, levelling if necessary.

Bake in the oven for between 30 and 40 minutes until firm when you touch it.

For the Sauce
75g (3oz) Margarine or butter
300 ml (1/2 pint) double cream
110g (4oz) soft light brown sugar
2 teaspoons black treacle

Tip: if you haven't any treacle use dark soft brown sugar in the sauce instead.

Put all the ingredients in a pan and stir as you bring the mixture to the boil. Simmer over a low heat for 2 minutes.

Serve the pudding cut into squares with the sauce poured over. Very tasty with cream, ice cream or custard on the side.

The Revd Philip writes..

The recent snow has transformed the landscape and has brought two new residents and their dog to Lady Mary Square. Unfortunately I suspect that they will not be around for long.
