Harvest: A Time of Thankfulness

We are collecting food for our local Food Banks and welcome gifts – see below.

As last year, gifts of money will go to the Cheshire Agricultural Chaplaincy to support their work with farmers who are experiencing difficult times.
St John's are also supporting the work of the Hope Centre at Partington which provides food support for those in most need in Partington. These are the items that are most needed:-

Tinned items: vegetables, beans/spaghetti, fruit, tomatoes, meat.
Snacks: biscuits, cereal bars, crisps.
Drinks: tea, coffee, juice, long-life milk.
Other: rice, condiments, baby food/milk, cat and dog food.
Non-food items: Nappies, baby wipes, toiletries

If you would like to show your thankfulness this harvest-time by giving to others please bring them to our Harvest Festival Services on Sunday 3rd October or contact Rev'd Trish or Revd Patricia who will arrange for them to be picked up. Don't worry if you miss 3rd Oct, you can send them afterwards and we will deliver them.

Karen Drury (Reader in Training) writes:

GIFTS:

When Philip asked if, as a Reader in Training I would be willing to write a piece for this month's Parish Magazine and suggested the topic 'Gifts', I thought, 'Great, it's Harvest and gifts will be easy!'

More fool me! It turns out the more I thought about it, the bigger the topic became! Gifts in our society are pretty common; we give birthday gifts, wedding gifts, housewarming gifts, Christening gifts, Christmas gifts (but let's not think about that just yet!).

The dictionary describes the meaning of gift as follows:

something that you give someone as a present

Generally, if we are giving someone a gift we will put quite a lot of thought into it – what to get, where to get it, how much to spend, how to present it, we may even write a card to go with it.

Harvest is a time for thanksgiving gifts. The tradition of Harvest Thanksgiving is a relatively modern one in the church calendar. Allegedly its origins can be traced to the adaptation of Lammas Day, a festival at the beginning of August when a newly baked loaf was presented before God as a thanksgiving for the first fruits of the wheat harvest. Revd R S Hawker, a parish priest in Cornwall chose the first Sunday in October as a Christian response to the largely secular 'harvest home' celebration. This spread and became very popular, first being recognised in the Church of England calendar in 1862 and traditionally celebrated by bringing to church gifts of fresh produce and foodstuffs. I can remember well my mother making up wonderful boxes full of fresh fruit and vegetables for us to take to school for our Harvest Celebration.

These days it is more common to be asked to bring non-perishable goods that can be passed on to local foodbanks or charities that support those in need. Charities themselves often refer to financial donations as gifts – 'Your gift is much appreciated and will have a big impact on those we are helping'. How easy it is for us these days to pop that packet of biscuits or tin of beans into the foodbank collection box, or make a donation quickly and easily online, as I did only the other week, and then not give it any further consideration? I feel reminded of the parable of the widow's mite (Mark 12:41-44) where the rich could give easily but the tiny gift of the coins given by the widow were prized much more highly because she had given a gift that had cost her everything.

continued/….

The other dictionary definition of a gift is

If someone has a gift for doing something, they have a natural ability for doing it.

When I worked for St. Rocco's Hospice in Warrington our Volunteer Co-ordinator used to say that the most important and significant thing that anyone could give was their time, as this was the one commodity that we are unable to get back. Sometimes a gift can be costly.

When God sent his son Jesus into the world, he was giving us the greatest and costliest gift of all. Through Jesus' suffering and death on the cross, we are able to look forward to being reconciled with God and to living eternally with him. This seems to me to be a priceless gift that can never be repaid. We can though, 'pay it forward'. For me, this harvest time seems like a very good opportunity to take stock and, as I bring my harvest gifts, take time to think about my own gifts and abilities and how I might be able to use them to help my friends, neighbours and even strangers in the coming months and years.

Karen Drury

Visit by Bishop Sam - Wednesday 13 October.

A Deanery visitation by Bishops Mark and Sam will take place on 12 and 13 October.

Bishop Sam will be visiting the United Benefice on Wednesday 13 October.

He will join us for **Celtic Morning Prayer at St John's Church Room at 09.00,** followed by a drive through Little Bollington to Rostherne where he will visit St Mary's to see the re-ordering. From there he will go on to join us at **Community Coffee & Chat at St Paul's** from 10.30.

Bishop Sam will leave at 11.00 to go to another parish.
You are welcome to join us at Celtic Morning Prayer or at Coffee & Chat.

Apology

We would like to apologise to Peter Williams that his name was omitted from the Food Heroes article featuring Jonty Page and Jane Smyth, that he wrote for this magazine in July. We have all enjoyed the pieces Peter has written which have been very interesting and helpful. He and Adelaide have a wide knowledge of the food and drink industry and we are grateful for the amount of work Peter has so willingly put into these articles, helping us to provide an interesting magazine over the very difficult months of pandemic.

From the Registers

Baptism:

Phoebe Elizabeth Grace Tetlow -
St Mary's

We welcome Phoebe into God's family, the church, and pray that as she grows she will always know Jesus as her friend.

Funeral at St John's Rod Elbourn aged 81 years.

On Thursday 16th September the funeral was held of Rod Elbourn who was well known in the village for his incredible creativity and skills with wood. However his skill wasn't limited to wood and he included other materials such as animal horns especially in his large collection of walking sticks.

In St John's we are fortunate to have benefitted from his skills – the Paschal candle stand made for the Millenium, the new font, baptism candle holders and crosses made for Remembrance Sunday 2018 – one for each young man from High Legh who gave his life in the two world wars.

Rod was a quiet, steadfast, talented man who wanted no fuss but many friends and neighbours gathered to remember his life and show their support for Alicia and the family. Above all, Rod enjoyed being with his family and he will be sadly missed by Alicia and all the family.

Weddings:

At St John's

Mark Jarvis and Joanne Royale

On a rather drizzly Saturday afternoon on August 14th
Mark and Joanne Royle were married at St John's.

Sadly, one of the groom's daughters had been contacted by "Test & Trace" and was required to self-isolate, so she "attended" via Zoom. Of course, a virtual attendance is not the same but at least we were able to help her to feel part of the occasion and to watch as her dad and Joanne made their wedding vows. Fortunately, she didn't contract Covid 19 and was soon out of self-isolation.

Joanne and Mark with Joanne's father standing at the side of the porch.

Alan McNab and Nicola Long

On Saturday 28th August the marriage of **Alan McNab and Nicola Long** took place in St John's Church. The groom is a machine driver and the bride is a recruitment manager. The church was full of the family and friends of the couple for what was a very happy occasion. We wish Mr and Mrs Mc Nab every happiness for their future together.

At St Mary's

Henry Featherstone and Giorgina Brown

On Saturday 28th August the marriage of Henry Featherstone and Giorgina Brown took place in St Mary's Church. Only immediate family were present.

In the following month the couple were planning a bigger celebration in Menorca with as many of their family and friends as possible.

Christopher Woods and Wendy Ludlam

On Saturday the 4th September the marriage of a local couple, Christopher Woods and Wendy Ludlam, took place in St Mary's Church. The groom is an outside broadcast technician, and the bride is a trainee midwife. Many of their family and friends gathered to witness the ceremony and share the happy occasion.

Letter from Nick Whimpanny – Treasurer at St John's

The points raised in this letter really do apply to all three parishes. Please read carefully and then prayerfully consider what you can do to help.

We have been living with Covid for almost two years. This period has had a massive impact on all our daily lives, which has seen us adapting throughout to new ways of living. Our relationships with family and friends have been I nterrupted. As was our Church Life at St. John's.

The past few weeks have seen our worship returning to what we had been used to and we must thank the Ministry Team and Church Wardens for keeping us all safe when in Church. Additionally, we have been able to meet in fellowship, as we restart our events and activities.

I have not focused on our finances but I am sure that you will all appreciate that with long periods of the Church being forced to close and no activities our Income has reduced significantly. The point that I need to stress is that despite the Church being closed or restricted our costs have remained constant. We have seen a massive reduction in our reserves. If nothing changes we will have spent £20,000 of our reserves over the past two years.

Our building is in good order and we are blessed with good stewardship over many years. That said when the building has needed money spending on it our parishioners and residents of High Legh have risen to the challenge Today our needs are more fundamental and we just need to ensure that we balance the books to remain viable.

With the imminent retirement of our clergy team in January 2022 we are in the process of developing a Parish Profile to help us in attracting a new incumbent. At the moment there are many reasons for a new Priest to come to us but, as it stands, we could not afford a full time Vicar. Our current arrangements fund approximately 0.3 of a Vicar's time but over the last two years we have had to eat into the reserves to meet that.

This is why I am praying about this but sending this plea to you all to see how you can help. Spending money can be easy but talking about finances can be very hard.

How can you help? There are a number of ways

1) By increasing your weekly offertory-
   a- Cash on the plate
   b- planned giving through the envelope scheme or by standing order
   c-using the card reader in Church, which allows you to select the amount you wish to give

2) Through donations either for general funds or towards flowers, organist, garden maintenance etc.

We currently have a project to upgrade electrical installations within Church and that will cost us £5000. This is a non- recurring cost in the short term.

3) Through a bequest. This is something that could help to keep the Church running long after our earthly lives have ended. Many other Parishes have benefitted from such donations, and it is something that I have had written into my will.

I have looked into the Covid grants but sadly we have not fitted the requirements of the existing schemes. I am widening my net and will continue to seek different grant opportunities .

I am writing this now not because we are in desperate shape but because I don't want us to get to that stage. If anyone would like further clarification on this, I will be only too happy to speak with you privately. I thank you in anticipation of your response and hold you all in my prayers regarding your own
deliberations.

Climate Sunday

15.00 Sunday 17 October at St John's Church

Guest Speaker Nigel Hennerley

This will be a climate focused service to explore the theological and scientific basis of creation care and action on climate, to sing, to pray and to commit to action.

Climate Sunday is a national initiative calling on churches to hold a climate based service on any Sunday before the COP 26 conference in November.

We are joining over a thousand churches in this initiative, with a vision to leave a lasting legacy of churches better equipped to address this critical issue as part of our discipleship and mission and to make a significant contribution to civil society's efforts to secure adequate national and international action.

Prayer for the Month

Creator God may we appreciate the wonder of this world with nature's cycle of life, death and rebirth. May we remember that it is important to give as well as to take, and to sow as well as reap. Help us to see, to give thanks and praise, and to share the gifts you give us. Amen

The Secret Gardener at St John's

We have asked around but the mystery remains – who came and trimmed the bushes in the garden into such neat shapes? We are all very pleased about it but we wish we could say a proper "thank you".

If you are reading this and smiling to yourself in recognition of what you did, either let us know so we can say "thank you" personally, or take this as our appreciation of your help in our garden. Thank you!

Rev'd Trish

Getting back to normal at St John's, High Legh

September has seen social events returning to the calendar at St John's. We have held a BBQ and participated in the High Legh Family Fun Day – and certainly there was plenty of fun at both.

Mother's Union began with its usual September lunch (barring 2020!) at the Barn Owl pub and meetings will follow on the first Tuesday of each month in the Church Room at 2.30 pm.

Little Acorns also resumed on the 14th September.

Community Lunch began again with a delicious ham salad lunch followed by scrumptious cakes baked by Arthur and Joyce and accompanied by plenty of conversation, fellowship and friendship.

Coffee, create and chat is due to start in October.

Of course Covid 19 is still with us and we are alert to what is happening around us and ready for any changes that may be required but it has been a great delight to welcome so many "old" faces and also many "new" ones to our social events and other groups.

Whilst fund-raising is a useful part of our social events, they are primarily an opportunity for us to engage with the parish which we serve and to provide different ways to get to know those who live here.

***Please remember** that if you are struggling and finding life hard and would like to talk in confidence, we have people who are trained in listening. Please call 01565 830 595 or contact one of the Ministry Team (details on page 10 of this magazine).*

Mere and Tabley Community Club

The Community Club is gradually getting back to a “cautious “ normality.

Last weekend, we hosted a wedding reception for a local couple.

This proved a wonderful occasion for all involved.

A busy week sees us host Cheshire Federation of Young Farmers junior quiz competition, Knutsford Rex Probus, flower arranging club and Knutsford Farmers Club Winter season of meetings. September 27th sees us have the privilege of hosting a thanksgiving wake after the funeral of a highly respected local lady - Dorothy Pennington.

The outdoor bowling season is rapidly coming to a close with just one league playing into October. Very much a getting back in the swing season, our teams have enjoyed varying degrees of success. Our men’s “B” team have topped division three of the Knutsford league and the Norley afternoon “A” are highly likely to gain promotion to the top division. Our club welcomed many new members pre pandemic keen to have a go at crown green bowls. As new bowlers, it will take a while for them to become proficient but their keenness leaves me in no doubt that they will be able to hold their own before long. Many thanks to Val, Anne and Neville for giving guidance and encouragement to this group.

October will hopefully see us get back to Winter games - whist, various other card games, dominoes and short mat bowls. The local snooker league also begins in the coming weeks. We are very aware that members’ and guests’ health and safety is our priority as we move into Winter months.

In October, we have our first quiz night for two years. As these events always prove popular, we are limiting the numbers to less than the capacity of the hall in deference of the ongoing covid situation.

MILLINGTON PARISH COUNCIL MEETING
Millington Parish Council

Date of next meeting
The next meeting is scheduled for 9th November 2021, details will be posted on the website and notice boards.

Casual Vacancies
Millington still has two Councillor vacancies available on Millington Parish Council.
If you are a parishioner, have the passion and time and would like the opportunity to assist our Parish Council, we urge you to contact the Parish Clerk or Chair Cllr Diane Flanagan, via the Millington Parish Council website www.millingtonparishcouncil.co.uk or via email.
We will look forward to hearing from you.

LITTLE BOLLINGTON W.I.

Members were very excited to meet for the first time since March last year, so on September 9th it was lovely to see so many ladies gathered together for tea and a chat. Mrs Terri Shade read the minutes and said how pleased she was to have an opportunity to catch up on both happy and sad news. A welcome letter from Mrs Johnstone was read.
Some members were looking forward to a trip to Highgrove, postponed from last year, and, to celebrate our centenary, a meal at La Boheme has been organised.

The Book Club are reading 'Hamnet' by Maggie Farrell.

A walk will be organised on October 8 th for any interested members, dogs welcome.

The next meeting will be another tea and chat to be held on October 14th, although this is to be confirmed.

If you have queries, please contact Pam Winward on 01565 83046

St Mary's Church Opening – Sundays 14.00 – 16.30

We have started opening the church to visitors on Sundays again. We rely on volunteers to do this. We realise that, with high infection rates at the moment, fewer people will feel able to volunteer.

If you would like to be involved please contact Revd Patricia on 01565 830 595 or email pmrobinson51@gmail.com

Men's Lunch Group

A day out has been arranged on Tuesday 12th October 2021, for the members to visit the Cold War Nuclear Bunker at Nantwich, followed by lunch at Rookery Hall, Worleston.

As a result, the usual monthly meeting has been rearranged for Thursday 28th October 2021, at The Golden Pheasant, Plumley Moor Lane, Plumley, 12.30pm.for 1.00pm.

If you are interested in joining our informal meetings, we will be pleased to hear from you.

Snippets from Parish Magazines

Thank you to Brenda Folds who found these cuttings from old Tabley & High Legh Parish Magazines and forwarded them.

From a 2004 edition:
Pupils went back to school in September, and one Kindergarten teacher was observing her new classroom of children while they drew. She would occasionally walk round to see each child's work. As she got to one little girl who was working diligently, she asked what the drawing was.

The little girl replied "I'm drawing God."

The teacher paused and said "But no one knows what God looks like."
With no hesitation, or looking up from her drawing, the little girl replied, "They will in a minute."

From April 1986 edition:

Remembering Services at St John's and Holy Trinity 16.00 Sunday 31 October.

This year we will be able to gather without restrictions to remember those who have died recently or long ago – for grief never goes away though we may have to learn to live with a different normality.
During the service we will remember by name all those whose names are given to us either before or during the service.

During these services a candle will be lit for each one named to recall the light that they were in our lives.

At John's, whether you attend the service or not, you are invited to come during October and write the name of loved ones who have died on a stone and place it on the cross of remembering which will be on the lawn in front of the church. Names on these stones will be remembered at the service.

LITTLE BOLLINGTON NEWS

VILLAGE REVIVAL

Over recent years we have created a vibrant community in Little Bollington, with social events and village improvement projects and other activities which have all fostered community bonds and great friendships throughout the village. All of this suffered a huge setback during the long months of lockdown. Now there is an opportunity to revive our activities and restore the buzz in Little Bollington. It's time to plan the next round of events to bring people together, projects to maintain and improve the village and action to support local people. We could even bring back the much loved Little Bollington Festival.

Please bring your ideas to the next Parish Meeting which will take place in October. We will have an opportunity to meet up and chat, and a chance to discuss and make decisions on what we want for our village.

NEW DEVELOPMENTS

We also need to consider development plans which will affect the village. The Parish Meeting will discuss the proposals for the Motorway Service Area on the M56/A556 close to the boundary of the village. Different views have been expressed. Some welcome the benefits this could bring to the community. Others object to the loss of green belt land and the potential increase in traffic. We need to discuss these and other comments to reach agreement on the village response to the planning application.

The redevelopment of the Stamford Arms site has at last got underway and will be complete in 18 months when we will at last have this prominent local site brought back from dereliction into pristine condition.

We will also take action to gain approval to the Little Bollington Neighbourhood Plan. This is a very important document which sets out the character of the village and how to ensure this is protected. It places strong emphasis on the rural nature of the area and the importance of the Green Belt. It will provide some protection against inappropriate development. The Neighbourhood Plan is very close to completion but now needs the final push. We discovered that Parish Meetings are not legally entitled to submit a Neighbourhood Plan. We will therefore set up a Community Forum which can legally submit the Plan for approval.

continued/….

Ged Mann and Mike Rusted have stepped up as the new leaders to take this critically important project to completion. They need your strong support. Please help them to complete the final stages of this work. The Neighbourhood Plan will provide essential protection for the village and will have benefits for the community over many years ahead.

COMMUNITY LEADERS

Paul Amphlett offered his resignation as Chair of the Parish Meeting when he was taken ill some time ago, but he has kindly stayed on to undertake essential administration duties. We will appoint a new Chair to guide us into the next chapter for our village. This is a great opportunity for an enthusiastic resident in the village. And the end of my term as Clerk is now well overdue. We will seek approval to recruit an experienced Clerk on a proper salary to manage meetings, correspondence and finance. This removes the burden of administration from local people so that they can take on roles which focus on important matters affecting the village and community, such as new developments, highways issues, village improvements, and social events. We will look to local people to take a lead on these matters on behalf of the community.

VILLAGE PUBS

Local people were delighted to see Ye Olde No. 3 re-open this summer. Helen and Mike have great plans for the pub with an extended garden and children's play area, charity events, music events and even a summer festival. Drop in and say hello – you are guaranteed a warm welcome. The Swan With Two Nicks has come through the lockdown, firstly opening up outdoors and now fully open once again and offering a great service. Try their excellent range of beers and their new enlarged menu including lots of lovely fresh fish options.

Let There Be Light!

On my first visited St Mary's as potential incumbent I was immediately struck by the quality of the lighting and how it showed the interior of the building to such good effect. I also noted how high the lights in the nave and chancel had been sited and asked what happened when a bulb needed replacing. The answer? An electrician came with a long ladder.

The increasing constraints of health & safety mean that it is now necessary to use scaffolding which is expensive. The church had to adopt a policy of waiting until a lot of bulbs had failed before booking a visit by the electrician. This has meant that at times the inside of the church became somewhat gloomy, and recently with the lights at the back having all failed I felt I might have to resort to asking baptism families to bring torches!

The ideal solution was to replace the existing lights with LED units which not only give instant light when switched on but are far more economical to run and have a lengthy (30,000 hour) life. It would be an expensive operation but one with long term economic benefits. We were told to wait as long as we could because LED technology was improving year on year. However, our canny churchwardens knew that their vicar owns a scaffolding tower and that when he retires it will be going with him. Our Treasurer did the maths and decided that a free scaffolding tower, together with the long term benefits of the change to LED, more than outweighed the cost of replacing the old units.

The work has now been completed and St Mary's is once again fully lit—and should stay that way for many years to come.

Fundraising activities have started again. With various events planned in the coming months. including the Christmas Ball at The Mere.
